Asgard tales; to teach Scandinavian mythology, as well as Roman and Grecian.

Natural Education; to show mothers how to train their children. This book gives games and ideas of early training until the tenth year.

Facts in Jingles (a book by Winifred Stoner, Jr.); containing educational jingles used in Natural Education schools. Jingles also to teach Esperanto and to awaken a sense of humor in children.

Other books in Dr. O'Shea's Childhood and Youth Series are of great help to mothers.
